LIABILITY INSURANCE POLICY FOR EUROPEAN INLAND CRAFT 2018

Who we are

EUROP&I is a specialist P&I intermediary acting as the agent of The Shipowners' Mutual Protection and Indemnity Association (Luxembourg) in the provision of this insurance. EUROP&I is managed by DUPI Underwriting Agencies B.V.

The Shipowners' Mutual Protection and Indemnity Association (Luxembourg) is a marine liability insurer operating as a non-profit making organisation. *We* provide insurance on a mutual basis.

Your policy documentation

When *we* insure *you*, *you* become a Member of the Shipowners' Club. *You* will receive a Policy Schedule from EUROP&I setting out the scope of cover and risks insured. Subsequent amendments to cover will be documented by Policy endorsements.

The protection we provide

This policy protects the interests of European inland craft owners and operators including those whose vessels have a specific license to sail coastal and/or estuarine waters for the purpose of reaching European inland waters.

You can expect *us* to respond to all marine liability *claims* made against *you* as the owner or operator of the vessel named on *your* Certificate of Insurance, other than those *we* list under 'What is not covered (exclusions)' and those *claims* which are unrelated to owning and operating the vessel *we* insure for *you*. The reasonable costs of investigating and defending *claims* are paid, too.

For any *claim* to be payable it must arise from an incident which occurs in connection with the operation of your vessel and during the period of insurance stated on your Certificate of Insurance.

Your cover

The liabilities insured include:

Cargo

Liabilities and expenses relating to *cargo* carried or intended to be carried by the insured vessel.

We also offer a number of Optional Covers in respect of specific additional *cargo* liabilities and expenses. *You* will find these listed at the end of this document.

Collision and Property of others

Claims for damage to the vessels and property of others arising from collision and/or contact damage including liabilities in respect of pushed/towed units as per the European Push Conditions, either in excess of *your* Hull and Machinery Policy or to the extent not covered by *your* Hull and Machinery policy, unless *we* have agreed otherwise and this is stated in *your* Certificate of Insurance.

We also pay *claims* from other parties for personal injury or death which arise out of a collision.

Crew, passengers and others

Claims from your *crew*, *passengers* or others for personal injury, illness or death including when those claims arise under crew contracts so long as they are reasonable and appropriate for the duties and position held by the crew member when viewed against the prevailing compensation regime. Related medical costs and other expenses are covered, too.

We also cover *claims* made against *your crew* as a result of carrying out their professional duties.

Diversion costs

The *extra costs and expenses* of fuel, insurance, wages, stores, provisions, and port charges incurred in diverting *your vessel* either to bring sick or injured *crew* or others ashore for urgent medical treatment or to arrange the repatriation of dead bodies from *your vessel*.

Fines

Fines in respect of short or over delivery of *cargo*, failure to comply with regulations relating to declaration of goods or documentation of *cargo*, accidental escape or discharge of oil or other substances from the insured vessel, breach of any immigration law or regulation, smuggling or any infringement by the Master or *crew* of any customs law or regulation other than in relation to *cargo* carried on the vessel.

Inquiries and criminal proceedings costs

The reasonable costs and expenses of protecting *your* interests at formal inquiries into a *casualty* and the reasonable costs of defending criminal proceedings brought against *your* Master, *crew* and agents, if *you* have a responsibility for them.

Mitigation costs

When an event or matter arises which will or is likely to lead to a *claim* under this policy, *you* are required to take reasonable steps to mitigate the loss and minimise the amount which would be paid as a *claim* under this insurance. *We* will reimburse the reasonable costs and expenses *you* incur for this purpose.

Motor Vehicles when lifted or hoisted

We cover liabilities, costs or expenses arising from lifting and/or hoisting motor vehicles to or from *your* vessel by the vessel's own gear. The limit of cover under this section is EUR 20,000 per claim.

Obstruction of Waterways:

We insure the financial loss *you* suffer as a direct consequence of *your* vessel being delayed from discharging its *cargo* at the port or place agreed upon due to an obstruction of any navigable waterway or port caused by:

- an accident involving a marine installation and /or
- the sinking of another vessel and/or some or all of its *cargo* and/or
- a collision between other vessels and/or
- *pollution* by any substance from any source.

We may at *our* discretion also reimburse *your* loss for other events having the same effect.

Cover is effective providing the responsible Maritime Authority has prohibited the free use of the waterway for all vessels of the same type and size as *your* vessel. This cover begins from the time and date of such prohibition and to be effective it requires that *your* vessel has not contributed to the accident, whether directly or indirectly.

Obstruction of Waterways – limitations of cover

The cover *we* provide is subject to limits which apply to each *incident* and to each vessel, as follows:

- A waiting period of 96 hours until a *claim* is payable
- A maximum of 20 days coverage or 30 days in total each policy year
- An amount payable per day and pro rata per of EUR 0.25 per entered ton for all cargo carrying vessels if the vessel has registered inland tonnage, or EUR 0.25 per KW if the vessel has no registered inland tonnage.

You must give prompt notice of any event which may give rise to a *claim*.

Personal effects

Claims for loss of or damage to *personal effects*. The limit of cover is EUR 5,000 per person, per claim. The limit of cover for *personal effects* of *passengers* will be in accordance with the relevant statutory limitation.

Pollution and environmental liabilities

Pollution from *your* vessel, including the cost of clean up and reasonable measures taken to prevent an imminent risk of *pollution*. For damage or contamination to property belonging wholly or in part to *you*, *you* shall have the same rights of recovery and *we* shall have the same rights as if such property belonged wholly to different owners.

Damage to sensitive marine environments providing these occur as a result of an identifiable event.

Property on board

Loss of or damage to any equipment, fuel or other property on board the insured vessel other than *cargo*, excluding loss of, or damage to, any property which forms part of the vessel or which is owned, leased or hired in.

Quarantine costs

The *extra costs and expenses* *you* incur as a direct result of an outbreak of an infectious disease.

SCOPIC

We also provide cover for *your* *SCOPIC* liabilities when salvors choose to use *SCOPIC* with the Lloyd's Open Form (LOF).

War risks

We pay *war risks* P&I *claims*.

The limit of *your* cover under this war risks section is US\$ 500,000,000 each vessel, any one *incident*.

If *you* have no other *war risks* insurance policy in place, your *deductible* for *war risks* P&I *claims* under this section is the *deductible* shown on *your* Certificate of Insurance.

If *you* have purchased a *war risks* P&I policy from another insurer, your *deductible* shall be the amount *you* can recover under *your* war risks P&I policy with another insurer.

Wreck removal

Wreck removal, marking or lighting costs which are compulsory by law, following the loss of *your* vessel, including *claims* for the extra cost and expenses of removing *cargo* and property which is or was carried on board.

We also cover voluntary vessel wreck removal from somewhere *you* own or lease when no wreck removal order has been given. The residual value of the vessel and any property recovered shall be deducted or offset against *your* claim.

What is not covered (exclusions)

We do not pay *claims* for or arising from the following:

1. **Cargo.** *We* do not cover:

Any liabilities costs or expenses arising from:

the late arrival or non-arrival of *your* vessel at a port or place of loading ;

the issue of a bill of lading, waybill or other document issued with *your* or the Master's knowledge and containing an incorrect description of the *cargo* or its quantity or condition;

the deliberate breach of the contract of carriage by *you* or *your* vessel's Master;

the discharge of *cargo* at a port or place other than that stated in the contract of carriage;

delivery to a person other than as nominated by the shipper;

any *claim* for liability which would not have been incurred or sums which would not have been payable by *you* if the *cargo* had been carried on terms no less favourable to *you* than those of the Budapest Convention on the Contract for the Carriage of Goods by Inland Waterways (CMNI) or Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessel (CLNI). Unless the contract of carriage is on terms less favourable to *you* only because the relevant terms of carriage are mandatory;

if the liabilities costs or expenses would not have arisen under a paper trading system *we* do not pay *claims* arising from *your* use of an electronic trading system (unless *we* have approved its use in writing) when such electronic trading system is intended to replace paper documents used for the sale of goods and/or their carriage.

2. **Chartering.** If *you* make *your* vessel available for hire or reward to other parties and *your* master and *crew* remain on board and in command, *your* liabilities are covered, however this policy does not insure *you* when *you* act as a time or voyage charterer of vessels which *you* do not own and it does not insure the liabilities of *your* charterers, unless they are a bareboat charterer who *we* have agreed to name on *your* policy.

3. **Commercial diving or diving bells.**

4. **Contractual indemnities** or any contractual liability unless *we* have agreed otherwise in writing.

5. **Crew annuities, retirement accounts, pension contributions or crew compensation under crew contracts.**

If injured parties are entitled to receive compensation for personal injury or sickness benefits under a mandatory state or national insurance scheme, *we* are not obliged to pay such *claims*. This exclusion applies even if *you* or the injured parties have failed to take the steps necessary to receive such entitlements. *We* do not pay *claims* for or arising out of disputes with *crew* over contractual liabilities or obligations.

We do not pay *Employment Practices liability claims*.

6. **Deductibles, excesses, franchises or other amount(s)** which *you* are required to bear under other policies.

7. **Disputes** over contractual liabilities or obligations; or disputes or proceedings over obstruction or interference with *your* vessel's operations.

8. **Disputes between named parties.** *We* do not support Members or joint Members in dispute with each other, or Co-assureds in dispute with each other or with Members or joint Members under the same policy.

9. **Environmental damage** including wash damage arising from *your* continuing use of, or presence at, a specific location or waterway.

10. **Excursions from the vessel.** *Claims* which result from an excursion from the vessel when the claimant has entered into a separate contract for the excursion with *you* or others or, in the absence of a separate contract, where *you* have waived any rights of recourse against any sub-contractor or other third party providing services in connection with the excursion.

11. **Fines or penalties** arising from overloading *your* vessel, illegal fishing, carrying contraband or blockade running.

12. **Hazardous waste.** Any liabilities, losses, damages, costs arising as a consequence of the discharge or escape of any hazardous waste, previously carried on the insured vessel, from any land based dump, storage or disposal facility.

13. **Hotel or restaurant guests** or other visitors to *your* vessel or its catering *crew* when the vessel is moored and is open to the public as a hotel, restaurant, bar or other place of entertainment, unless on a temporary basis, meaning no longer than 30 days in one location.

14. **Illegal payments** of any kind such as extortion, blackmail or bribery or any associated costs or expenses.

15. **Kidnap and ransom** demands or payments.

16. **Motor vehicles.** *Claims* arising from the use of mechanically powered vehicles whilst ashore which would be recoverable under a fully comprehensive motor vehicle policy.

17. **Nuclear risks** or *claims* arising from radioactivity other than liabilities, costs and expenses arising out of the carriage of *cargo* which is 'excepted matter' (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made under that Act).

18. **Other Insurances.** *We* do not cover liabilities which are recoverable from any other insurance (or where they could have been recoverable had such other insurance not contained a provision similar to this). *We* do not cover liabilities for hull and machinery risks for which *you* would have insurance cover under a separate policy or policies, were *you* to be *fully insured* for such risks on terms not less wide than those of the Lloyd's Marine Policy with the Institute Time Clauses (Hulls) 1/10/83 attached.

19. **Own property.** Loss of or damage to owned or leased property of yours including *your* vessel.

20. **Personal effects** of *crew*, *passengers* or others which are cash, precious metals or stones or other objects of a rare or precious nature.

21. **Salvage services** to *your* vessel or demands for general average payments and any related disputes other than *claims* for unrecoverable general average contributions or the vessel's proportion of general average or amounts recoverable under the 'SCOPIC' section of your policy.

22. **Sanctions.** *We* do not pay *claims* which would expose *EUROP&I*, the *Shipowners' Club* or its *Managers* to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the United Kingdom or the United States of America. Furthermore, *we* are not liable to pay any *claim* to *you*, in full or in part, if *we* are unable to make a recovery from *our* reinsurers in respect of that claim, due to sanction restrictions placed on one or all of *our* reinsurers.

23. **Ship Repair activities.** There is no cover for liabilities arising out of *your* activities as a ship repairer or ship builder.

24. **Specialist operations.** Other than *claims* for loss of life, injury or illness of *crew* and other personnel on board *your* vessel and/or the wreck removal of *your* vessel and/or oil *pollution* emanating from *your* vessel, *we* do not pay *claims* arising from the specialist nature of the *specialist operations* or *claims* for failing to perform such, or the loss of or damage to contract works or the fitness for purpose and quality of *your* work, products or services.

25. **Surveys & Management Audit defects.** *Claims* which arise out of defects identified during a survey and/or management audit are not payable.
26. **Time Bar.** *We* do not pay a claim if *you* have not told *us* of any event or matter which could give rise to that *claim* within one year of *your* first knowing about it (or in *our* view when you should have known of it); or if *you* do not submit to *us* for reimbursement a *claim* within a year of having yourself settled it.

We do not pay a claim if *you* have not told *us* in writing of that claim, within three years of the event or matter that gave rise to it.

27. **United States jurisdiction.** There is no cover for any contract *you* have entered into if it is subject to US jurisdiction or *your* Principal or Sub-contractor is a US entity. Punitive damages or exemplary damages however described, imposed by a court in the United States of America are also excluded.
28. **Unlawful purposes** including carrying contraband, blockade running, illegal fishing, or being employed in an unlawful or prohibited activity or trade, or permitting any activity on board or in connection with *your* vessel which is unsafe or unduly hazardous.
29. **Wilful misconduct** being an intentional act or deliberate omission done by you with knowledge that it will probably result in loss, or done with a reckless disregard for the probable consequences.
30. **Wrecks** which occur because the vessel has been abandoned or has been allowed to become dilapidated through *your* lack of activity or neglect.
31. **War risks**
There is no cover for any *claims* arising from *war risks* when the liabilities costs or expenses arise directly or indirectly from any of the following:
- any chemical, biological, bio-chemical or electromagnetic weapon; or
 - the use or operation, as a means of inflicting harm, of any computer virus except that this exclusion shall not operate to exclude losses (which would otherwise be covered under the terms of this policy) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile; or
 - the outbreak of war (whether declared or not) between any of the following countries: the United Kingdom, the United States of America, France, the Russian Federation, the Peoples Republic of China; or
 - *incidents* caused by, or contributing to, or arising out of, any event, accident or occurrence within specific ports, places, zones or areas, as *we* have notified to *you* either at the commencement of, or during the period of, *your* policy. *We* may change, vary, extend, add to or otherwise alter these specified ports, places, zones and areas upon twenty four hours notice given by us to *you*, or
 - requisition for title or use.

If *we* reinsure in whole or in part any *war risks* then *you* are entitled only to recover the net sum *we* recover from such reinsurance together with any proportion of cover that *we* retain.

General conditions

Assignment and Subrogation

You cannot assign *your* policy to any other person other than with *our* prior written approval.

However, if *we* are insuring *you* as a private individual, in the event of *your* death, cover will automatically continue for the benefit of a family member inheriting the vessel or *your* executors for a period not exceeding 60 days.

If *we* make a payment to *you* or any joint Member or Co-Assured under this policy, or under any security *we* have given, and *you*, the joint Member and Co-Assured have any rights to *claim* against a third party that are connected to the payment *we* make, then *we* will be subrogated to all of those rights to the extent of our payment, including any interest and costs. *You* and the joint Member and Co-Assured agree to take any steps that *we* reasonably require to this end.

Claims

If a *claim* is made against *you*, *you* must follow the *claims* handling procedure set out at the end of this document. If *you* fail to do so *your* ability to claim may be affected.

Classification, Certifying Authority or Flag state

Your vessel must comply with all statutory requirements of its classification society, certifying authority, flag State and governing regulations, as applicable, and maintain the classification society, certifying authority or flag State certification that it had at the time *we* agreed to insure it. Subject to the provisions of the Insurance Act 2015, *we* will not pay any *claims* arising during such time as *you* have failed to comply with this general condition, even if *your* failure to comply has not increased the risk of any loss.

Complaints

We take all complaints seriously. If *you* are dissatisfied with *our* handling of *your* claim or any other aspect of *your* insurance or the service *we* provide, please contact us. *Our* complaints handling policy is detailed on the following website www.europandi.eu

Deductibles

Your entitlement to make a *claim* is subject to the *deductible* that appears on *your* certificate of insurance. If a single *incident* gives rise to a number of *claims* with different *deductibles* then the total of all *claims* will be subject to the highest *deductible* that applies to any one of the *claims*.

Discretionary Claims

The Board of the Shipowners' Club has discretion to pay a *claim* in whole or in part for any liabilities or expenses which are not covered under this policy or any contract that *we* have with you, so long as they are related to owning and operating your vessel.

Fair Presentation

You have a duty to make a fair presentation of the risk, by disclosing all material matters which *you* know or ought to know or, failing that, by giving *us* sufficient information to put *us*, as a prudent insurer, on notice that *we* need to make further enquiries in order to reveal material circumstances. If *you* fail to do so *your* ability to recover a *claim* from *us* may be prejudiced.

Dispute resolution

If any dispute arises out of or in connection with this Policy or any contract with *us*, then such dispute will be referred to arbitration in London, one arbitrator to be appointed by *us*, one by *you*, and a third to be appointed by the arbitrators. The reference to arbitration and the arbitration proceedings themselves will be subject to the provisions of the Arbitration Act 1996 and any statutory modification or re-enactment thereof.

Joint Members and Co-Assureds

If *we* issue a Certificate of Insurance in the name of more than one person or company, those additional parties will be known as joint Members. Joint Members are bound by all the terms and conditions of *your* policy and certificate of insurance and each of them are individually responsible for paying all premium and any other sums due to *us* under *your* policy and are bound by all of the terms and conditions of *your* policy and *your* certificate of insurance. If *we* make payment to, or on behalf of, any joint Members for any amount due under *your* policy, *we* will make no further payment to any person, including *you*, in relation to the amount that was due.

If there is a failure by any joint Member to comply with the 'Fair presentation' section of *your* policy or if the conduct of any joint Member would entitle *us* to decline a *claim*, then *we* will treat such failure and/or conduct as extending to all joint Members. *We* direct all correspondence to *you* and *you* receive it on behalf of all joint Members.

If *we* issue a Certificate of Insurance naming a Co-Assured then *we* agree to extend cover to that named Co-Assured, but only if: the named Co-Assured is held responsible for a *claim* which is properly *your* responsibility and for which *you* would have been able to recover from *us* under this policy, had that claim been made and enforced against *you*. If *you* have a contract with a named Co-Assured, *your* responsibility means *your* responsibility as agreed in that contract.

If *we* make a payment to, or on behalf of, a named Co-Assured for a *claim* then, in relation to that *claim*, *we* will not make payment to any other person, including *you*, and *we* agree to waive *our* rights of subrogation, if any, against the named Co-Assured.

Governing Law

You and *we* agree that *your* policy is governed by and will be construed in accordance with English law. In particular, it is subject to and incorporates the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 and all amendments thereto except to the extent that such Act or modification may have been excluded by this policy or any contract of insurance between *us* and any insured party. It is not intended that rights should be acquired by any third party by reason of the Contracts (Rights of Third Parties) Act 1999 or any similar legislation in any jurisdiction.

Lay up

If *your* vessel has been laid up for six months or more outside its usual seasonal trading pattern, *you* must give *us* notice that the vessel will be reactivated no less than seven days before the vessel leaves its place of lay up. When *we* receive notice from *you* *we* may appoint a surveyor, at *your* cost, to inspect the vessel on *our* behalf and *you* must provide *your* full co operation to this end. *You* must comply with any recommendations that *we* make following such an inspection. *We* do not pay any *claims* arising after *you* have failed to comply with any requirement of this general condition, until *you* have complied with all requirements of it.

We do not return premium for periods of lay up. Premium is on the basis of cancelling returns only.

Premium

Your insurance premium will be fixed annually and no further premium will be payable, unless *you* ask *us* to extend *your* insurance cover or the material facts upon which *we* base the cover change. *You* must pay *your* premium in such instalments and on such dates as *we* have specified.

Reinsurance

We have the right to agree contracts of reinsurance relating to *your* insured vessel(s) with insurers of *our* choice, on terms as agreed between *us* and those other insurers.

Security

Where *we* consider it appropriate and necessary *we* may provide letters of undertaking, bonds or bank guarantees on *your* behalf, as security for covered *claims*, providing *you* have paid any *claims deductible* which is due to *us*.

Severability clause

In the event that a court or tribunal finds any part of this policy to be unenforceable, invalid or to be in conflict with any mandatorily applicable statute or law, or public policy, such part shall be severed and such a finding shall not affect the enforceability, validity or legality of the remainder of the policy, which shall remain in full force and effect.

Shared Ownership

If the master or any *crew* member is also the owner or part-owner of an insured vessel, the liability shall, in relation to *claims* arising from the act or omissions of such person in his capacity as master or crew member, be assessed as if such master or *crew* member was not the owner or part-owner. This shall not apply where the claim arises from the privity or *wilful misconduct* of an insured party or the owner or part-owner.

Surveys & Management Audits

We may at any time appoint a surveyor, at *our* cost, to inspect *your* vessel. *We* may also wish to perform a Management Audit of *your* shore side operation. If such an inspection or audit identifies defects in *your* vessel and/or *your* management systems, *we* may require that *you* remedy them as directed at that time.

Termination and Cancellation

Termination by notice

Either *We* or *You* may terminate this policy by notice at noon on the renewal date of any year by giving not less than 30 days written notice.

We may terminate the entirety of cover under *your* policy by notice for each and every vessel insured, in the following circumstances:

- should any of *your* insured vessels be used, in *our* opinion, for a prohibited or unlawful activity or trade; or
- should any of *your* insured vessels or their activities, in *our* opinion, expose EURO&I, the Shipowners' Club or its Managers to sanctions risks; or
- upon 30 days written notice given by *us* to *you*; or

We may terminate cover for *war risks* by notice for each and every vessel insured upon written notice by *us* to *you* to discontinue *war risks* cover, with cancellation becoming effective on no less than the expiry of 7 days from midnight on the day on which we issue notice of cancellation.

The effect of *your* policy being terminated by notice also extends to joint Members and Co-Assureds. Subject to the 'Automatic termination' and 'Cancellation' provisions of this policy, the effect of *your* policy terminating by notice is that *you* will remain liable for premium under *your* policy and for any other sums due to *us* except that *you* will be entitled to a daily pro rata return of premium for sums paid, if any, from the date of termination until the expiration of *your* policy. Likewise, *we* pay *claims* for events that arose prior to the date of termination but *we* will not pay *claims* arising for events after the date of termination.

Automatic termination

Your policy will be automatically terminated upon the date shown on *your* Certificate of Insurance or upon the happening of any of the following events: the sale or transfer of *your* vessel; a change of beneficial owner(s); *your* vessel becoming an actual or constructive total loss; an *insolvency event*; *your* vessel no longer being classed with the classification society or certifying authority that it was at the time *we* agreed to insure it; should any of *your* insured vessels or their activities expose EUROP&I, The Shipowners Club or its Managers to *Sanctions risks*. If *you* are an individual, upon *your* death or upon *you* becoming incapable by reason of mental disorder of managing or administering *your* property and affairs.

The insurance which *we* provide to *you* for *war risks* will automatically terminate should war break out between any of the following countries; the United Kingdom, the United States of America, France, the Russian Federation and the Peoples' Republic of China; or should *your* vessel be requisitioned either for title or use.

The effect of *your* policy being automatically terminated is the same as for termination by notice except that *we* do not pay *claims* for events arising after the date of automatic termination, other than *claims* arising from *your* vessel becoming an actual or constructive total loss prior to automatic termination.

Cancellation

If *you* fail to pay premium in such instalments and on such dates as are agreed by *us*, *we* may serve notice in writing requiring *you* to make payment by a specified date. If *you* fail to make payment in full on or before the specified date *we* shall immediately cancel *your* insurance. If *we* cancel *your* insurance *you* must pay all premium due up to the date of cancellation. *We* will not pay *claims* for events arising on or after the date of cancellation.

We will not pay *claims* arising before the date of cancellation if premium was owing at the time the claim arose and remained unpaid at the date of cancellation.

Claims handling procedure

If *you* are involved in an *incident* which could give rise to a *claim* *you* should contact:

Immediate advice and local assistance is also available from the Shipowners' Club's network of correspondents who are listed at:

www.shipownersclub.com/correspondents

It is important that *you* contact EUROP&I promptly, so that they can assist *you*. The earlier they are involved the better. *You* are required to act prudently and as if *you* are uninsured until such time as they have taken over the handling and management of the *incident*.

When reporting a *claim* it will help them if *you* include *your* vessel's name, the *incident* date, the nature of the *incident*, the location of *your* vessel and location of the *incident* (if different). If an injury or collision is involved *you* may be required to notify the appropriate authorities.

As *your* insurers, *we* have the right to handle, settle or compromise *claims* or proceedings as *we* see fit. *We* may appoint lawyers, surveyors or other persons when *we* consider these are necessary. They may report to *us* and provide documents or information to *us*, without prior referral of these matters to *you*.

When it is possible for a vessel owner to limit their liability at law, that sum becomes the maximum amount recoverable under this policy and will apply regardless of whether *we* insure *you* as the owner of the vessel or in some other capacity. *You* must not admit liability for any *claim* and *you* must not settle a *claim* without *our* prior approval. *You* must also preserve any rights *you* may have to limit *your* liability and any rights *you* may have against any third party. *You* must also promptly notify *us* of every event or matter which is likely to give rise to a claim, provide *us* with any relevant information or documents and permit *us* access to any persons employed by *you* who *we* consider likely to have knowledge of the event or matter. If *you* admit liability, settle fail to preserve *your* limitation rights, fail to promptly notify or provide information or access to *your* employees, *your* claim may be rejected or reduced. If *we* pay the claimant, *you* or *your* nominated broker, manager, agent or some other person whom *you* nominate, *our* liability shall be fully discharged.

Definitions

Please note that the use of italic text in this policy indicates that the word or phrase is defined in the clauses. Words in the singular shall include the plural and vice versa.

Cargo means materials or goods of any kind transported for reward, other than *passengers'* effects and vehicles.

Casualty means an *incident* affecting the physical condition of *your vessel* so as to render it incapable of safe navigation to its intended destination, or which creates a threat to the life, health or safety of *your crew* or *passengers*. Engine breakdown is not a *casualty* for the purposes of this policy.

Claims means liability *claims* made against *you* as a result of owning or operating the vessel named on *your* Certificate of Insurance.

Crew means any person engaged or employed in any capacity in connection with *your vessel*, whether on board or proceeding to or from *your vessel* or on vessel's business. *Crew* does not mean vessel brokers or vessel agents or those supplying services to *your vessel*.

Deductible means the initial amount *you* have to pay yourself before the insurance policy will respond to a loss under a policy.

Employment Practices liability claims means *claims* for wrongful or unfair termination, sexual harassment, discrimination or any other employment-related conduct.

Extra costs and expenses means costs and expenses over and above those which would ordinarily be incurred had the *incident* not taken place.

Fines include civil penalties, penal damages and other impositions similar in nature to fines, but not punitive damages.

Fully insured means insured at a value which, in *our* opinion, represents its full market value, disregarding any charter or other engagement to which the vessel may be committed.
